STATINTL

Dear [REDACTED]

(12 Nov 63)

Thank you for your fine lecture to the Thirty-fourth Class. Your expert analysis of the Soviet Union's economic potential effectively stimulated student appreciation of the implications of this element of power on our future security. Your comprehensive treatment of this complex subject will prove extremely useful to the students in their studies here.

It was a pleasure to have you visit the College. We appreciate the contribution you made to our course of study.

Sincerely,

J. S. Holtoner
